

5 TOP TIPS

Put your pencil tip on its side for super quick colouring. Don't press too hard or the tip will snap!

2 Mix red and blue to make purple, yellow and red to make orange. Press lightly and the colours will mix

more easily.

3 Get sticking! Add tissue paper, paper scraps and sparkly 'bits and pieces' to your pictures.

4 Using just one pencil, press lightly for a light colour and hard for a dark colour.

5 See if you can begin and finish one picture. It may take a while, but you'll be so pleased with what you have done.

For a while, all was perfect. But one day, Adam and Eve did the very thing God had told them never to do. God was broken-hearted. He had to send them away, their perfect new life spoiled.

As Jesus grew, he learned the ways of his earthly father, Joseph the carpenter... He was learning the ways of his heavenly Father, too.

"This is my son and I love him. I am very pleased with him."

Jesus climbed onto a donkey and - like a king in a parade - rode into the city.

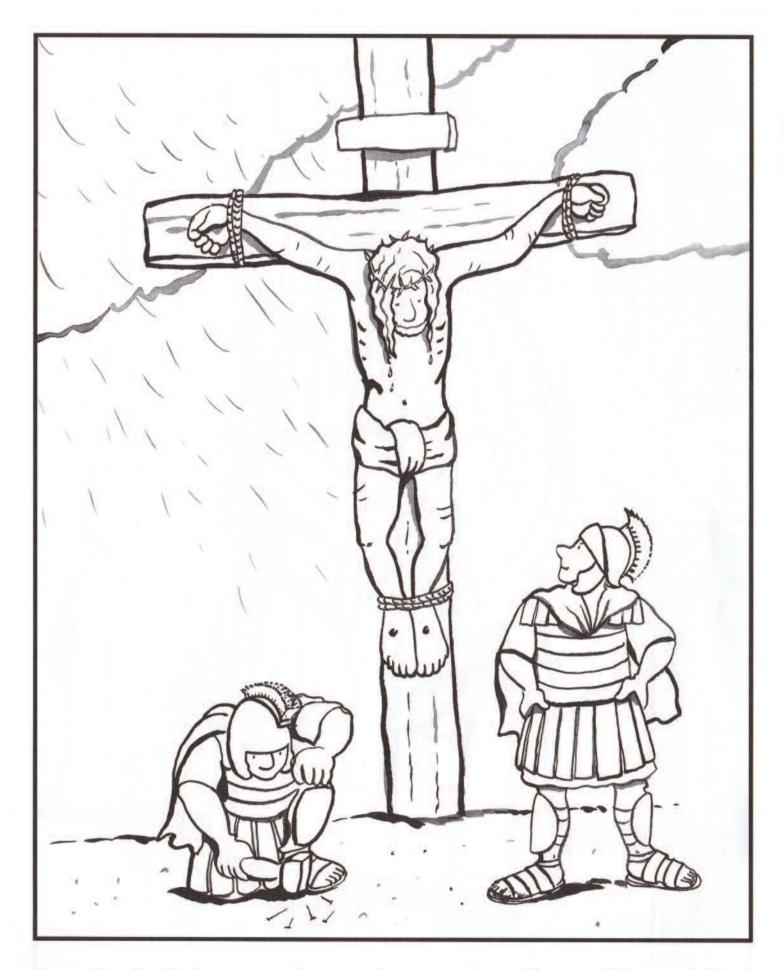

Jesus said, "I must wash you. If I don't, you cannot share in my new life." So Peter put his foot back in the bowl.

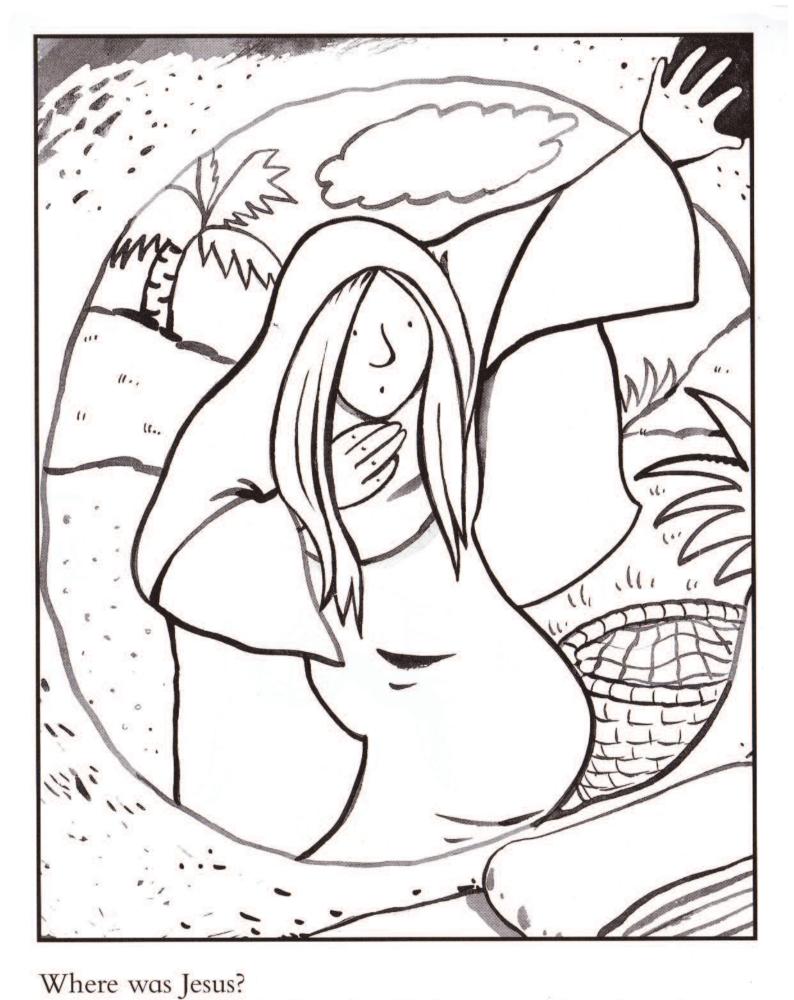

Jesus told his disciples that he knew who would hand him over to the temple priests to be killed. It was one of them! Judas, knowing it was him, slipped silently through the door.

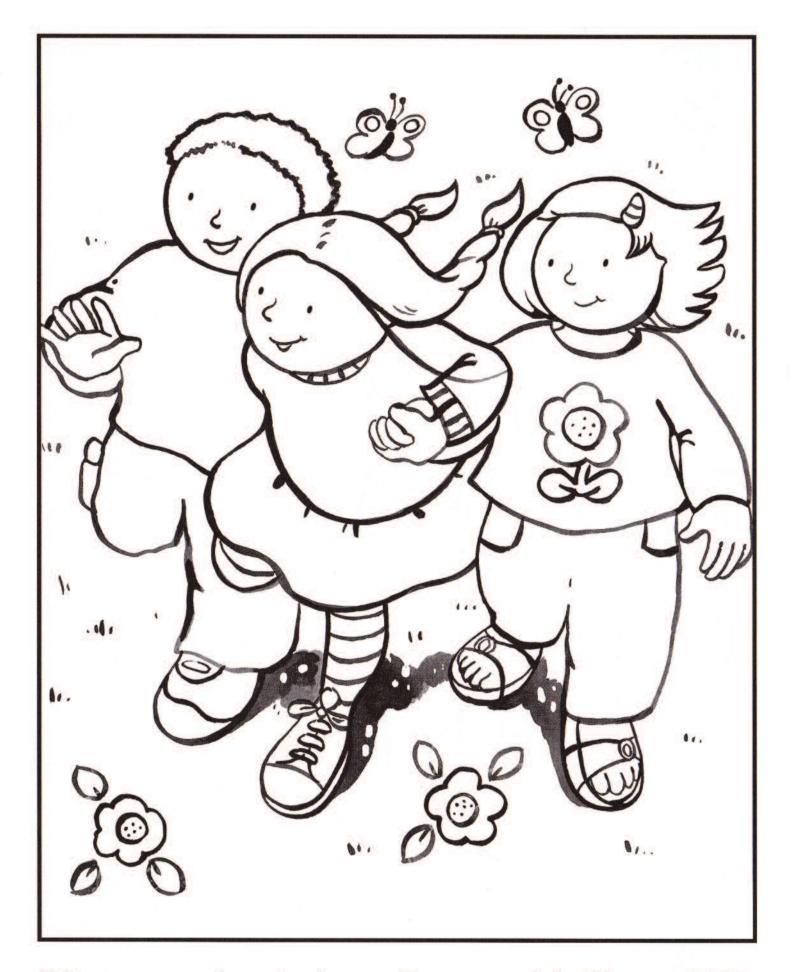

The people did not believe him. They shouted, and shook with anger. They hit Jesus and spat on him.

Jesus looked down and saw the sneering faces of the soldiers and the crowd. He prayed, "Father, forgive them. They don't know what they're doing."

"You won't find him here," said the angel. "But there is nothing to fear. He's alive!"

"Go to every place in the world, near and far," Jesus told his disciples, "and tell them this: Whoever believes in me will be rescued from their sins. I will give them new life!"
